Come Out to our De-Stress Social

TOMORROW!

Take a moment to de-stress during midterm season in Geisel study room 721 on Tuesday of Week 6 from 5-6:30 pm! We will have succulents pots for you to paint and take. And yes you can take the succulent plant home too! There will also be puzzles, coloring books, and card games.

Please remember to relax and take care of yourself during the quarter! Good luck with midterms!

Triton Networking Night: Mind and Media is this THURSDAY, Feb. 6!

The Cognitive Science Student Association and Undergraduate Communication Society have partnered with the Career Center to host Triton Networking Night: Mind and Media. Join us for an entertaining and productive evening of networking with professionals and alumni in industries representing thought-centered design, science, and technology. This is an opportunity to have an engaging conversation with and learn from the representatives of companies in sectors such as technology, media, marketing, healthcare, design, and human development.

LIST OF PEOPLE ATTENDING:
Wesley Hsu: VP, UX and Design at Robolink
Clarissa Ryan: Marketing Specialist at Tinuiti

Wes Shoup: Technical Recruiter at PetDesk
Joyce Tam: CMO at Doctor Multimedia
Isaiah Weiss: Founder/CEO of LearnSesh VR Tutoring
Christine Seabolt: UX/UD Consultant
Melvin Parker: Owner of EQ Studios and Vizion Media Group
Seth Hill (VP of Customer Experience Manager) and John Maas (VP of Digital Marketing): AXOS Bank
Additional companies and alumni may be added
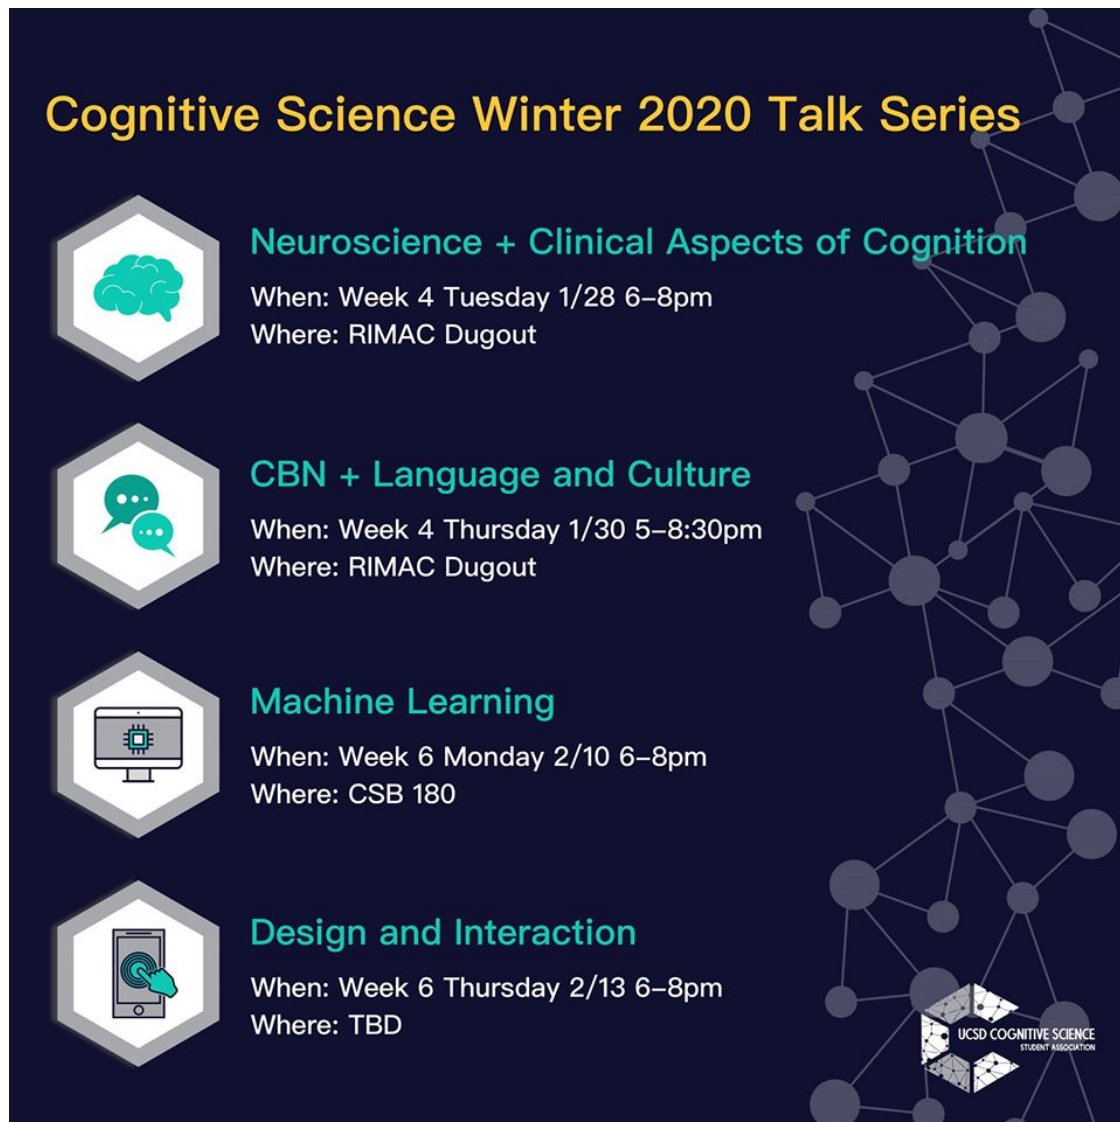

Remember to REGISTER for the event through Handshake:

February Talk Series Events

Our Talk Series events bring in one professor or industry member from each

specialization to talk about their journey in the field. There will be time for a Q&A session afterward.

Machine Learning and Neural Computation: Monday, Feb. 10, 6-8 pm
Design and Interaction: Thursday, Feb. 13, 6-8 pm

Join Us at the San Diego Zoo on SATURDAY, Feb. 29!

Would you like to see a cheetah with a support dog, pandas, koalas, bears, monkeys, and more? Would you like to go to the zoo for only $20 (instead of $58 regularly)?
YES, ONLY $20!

Spend a Saturday at the San Diego Zoo with the CSSA board! Everyone is welcomed! We will meet at the zoo entrance at 9:30 am. You must enter the zoo with the CSSA board in order to qualify for the discounted ticket. The zoo staff will not let you enter separately. You can leave whenever.

You can meet us at the zoo entrance or you can choose to carpool! Parking at the zoo is free. If you have a car and are willing to participate in carpooling and drive people to and from the zoo, your ticket will be only $17!

Please fill out this form to indicate you will be going:

What's New in the Cog-Sci World?

Research study: Alzheimer's Vaccine could be Trailed on Humans in Two Years

A team of scientists at the University of California Irvine have created a vaccine that removes plaque in the brain. This plaque is made up of the proteins amyloid-beta and tau. The buildup of plaque and the combination of the two proteins has been linked to cognitive deterioration and the onset of Alzheimer's disease. As a result, the

scientists claim that a two-fold approach is necessary and they aim to progress to human trials of this vaccine within two years. Currently, there are no methods to prevent Alzheimer's disease and its impact is predicted to grow drastically within the next few decades, therefore this vaccine could dramatically change the history of the treatment of this illness.
